

APPEAL NO. 022291
FILED OCTOBER 28, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on August 20, 2002. The hearing officer determined that the appellant's (claimant) impairment rating was four percent as assessed by the designated doctor, whose report was not contrary to the great weight of the other medical medicine.

The claimant appeals, contending that the designated doctor had not rated the entire compensable injury and that the designated doctor was angry that his rating had been questioned. The respondent (carrier) responds, urging affirmance.

DECISION

Affirmed.

We have reviewed the complained-of determination and conclude that the determination involved matters for the hearing officer to resolve. The hearing officer reviewed the record and the determination involved decided what facts were established. We hold that the hearing officer's determinations are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

The hearing officer's decision and order are affirmed.
